### Workshop

Barnabas Ministries Inc is offering a 4 day workshop on supervision. The workshop will offer those in the field of training and forming spiritual directors and supervisors valuable tools to enhance the formation process. It will also be of great benefit to spiritual directors who want to develop their practice and maximise their experience of supervision. The format will include input, sharing, and practicing the presented material which will cover the "what, why and how" of supervision.

### Application:

Accompanying this flyer is an registration form. Download, fill in details and return to Beth Robertson (address below) with your payment either by email or post by **Friday April 27, 2018**.

Spaces are limited. Late applications will be accepted only if there are still spaces available. The application form has the bank details for direct deposit or cheque payment. Once your application is received you will be sent details of what you will be required to prepare for presentation at the workshop.
